Anaesthesia diseases affect stomach, large intestine and rectum, small intestine, oesophagus, liver, gallbladder, and pancreas. Knowledge about the most happening diseases is always beneficial. As these Surgical diseases are common in recent times people should have a thorough knowledge regarding the causes, adverse

effects and treatment of these diseases particularly in the prevailing areas. The knowledge in studying of therapeutic endoscopy is useful in treatment of various disorders like Anaesthesia. It is basically a branch of medicine focussed on digestive system and its disorders. The scope of both medical Anaesthesia and surgical gastroenterology is huge as it is considered as one of the top paying careers in medical field.

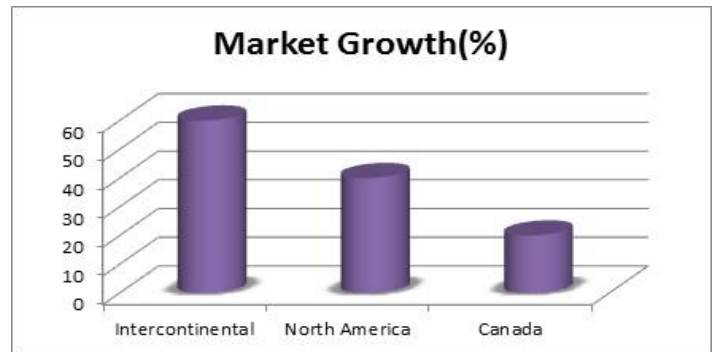

**Target Audience:**

- Surgery Specialists
- Hepatologists
- Scientists-Gastroenterology
- Professors
- Endoscopy Technicians
- Medical Interns
- Physician Assistants
- Associate Professors
- Professor Emeritus
- Medical Equipment Manufacturers
- Clinical Development Physicians
- Nurses
- Distributors/Sales Representatives
- Pharmaceutical Companies
- Endoscopy Specialists
- Anesthesiologists
- Gastro Surgeons
- Pharmaceutical Technology Specialist

**Related Companies/Industries:**

- Abeo (Irving, Texas).
- AdvantEdge
- Anesthesia Business Consultants
- Anesthesia Management Partners
- AnesthesiaBillingBridge
- Freelance Anesthesia
- GlaxoSmithKline Plc.
- Mednax

- Nationwide Anesthesia
- Evoke Pharma
- NorthStar Anesthesia
- Olympus Corp. of the Americas
- Steel City Anesthesia
- Synergy Pharmaceuticals
- Salix Pharmaceuticals
- Somnia Anesthesia
- Theravance Biopharma
- Avaqva
- Rhythm
- Second genome
- Sysontech
- Endogastric Solutions
- Seres Therapeutics
- Zealand Pharma
- Redhill Biopharma
- Ritter Pharmaceuticals
- Ironwood pharmaceuticals

**Related Associations and Societies:**

- World Anaesthesia Association
- American Anaesthesia Association
- Canadian Association of Anaesthesia
- The Indian Society of Anaesthesia (ISA)
- Norwegian Anaesthesia Association
- Russian Anaesthesia Association, RGA
- Japanese Society of Anaesthesia (JSA)
- Asian Pacific Association of Anaesthesia
- United European Anaesthesia
- Chinese Society of Anaesthesia
- Gastroenterological Society of Singapore
- Saudi Anaesthesia Association (SAA)
- Indian Association of Gastrointestinal Endo Surgeons
- Taiwan Liver Cancer Association (TLCA)
- Anaesthesia Society of Australia (GESA)
- Hong Kong Society of Anaesthesia (HKSA)
